Schoengold Sporn Laitman & Lometti, P.C. Announces Class Action Lawsuit Against Leap Wireless International, Inc. (NASDAQ: LEAP), Certain of Its Officers and PricewaterhouseCoopers

Tuesday November 27, 6:05 pm ET

NEW YORK, NY--(MARKET WIRE)--Nov 27, 2007 -- Schoengold Sporn Laitman & Lometti, P.C. filed a class action lawsuit against Leap Wireless International, Inc. ("Leap" or the "Company") (NasdaqGS:LEAP - News), certain of its officers and its independent auditor, PricewaterhouseCoopers, in the United States District Court for the Southern District of California. This action has been brought on behalf of all purchasers of Leap securities during the period between May 16, 2004 through November 9, 2007 (the "Class Period"). If you purchased Leap securities during the Class Period and would like to join the action pursuing securities claims against the Company, you may do so by visiting Schoengold Sporn Laitman & Lometti's website at www.spornlaw.com or contacting Schoengold Sporn Laitman & Lometti, toll free at (866) 348-7700 or via e-mail at shareholderrelations@spornlaw.com. However, please note that the deadline to seek lead plaintiff status in this case expires sixty days from November 27, 2007.

The complaint alleges that during the Class Period, defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder by making materially false and misleading statements regarding the Company's business and prospects to artificially inflate the value of Leap stock. It is alleged that throughout the Class Period, the defendants made material misrepresentations and omissions of fact regarding the Company's revenues beginning in fiscal year 2004 and continuing through the second quarter of fiscal 2007. The Company reported revenues of \$826 million for fiscal year 2004; \$914.7 million for fiscal year 2005; \$1.136 billion for fiscal year 2006; \$389.4 million for the first quarter of fiscal year 2007; and, \$393.2 million for the second quarter of fiscal 2007. As a result of the defendants' misrepresentations, Leap stock traded at artificially inflated prices during the class period, trading as high as \$99.00 in July 2007.

The Company shocked the market on November 9, 2007 when it announced, "it will restate its financial statements for fiscal years 2004, 2005 and 2006 and for the first and second quarters of 2007 to correct for errors in previously reported service revenues, equipment revenues, and operating expenses." As a result, on November 9, 2007, Leap's common stock closed at \$36.72 per share, declining 37% from the previous trading day's close of \$58.10, on very heavy trading volume of 11,377,500 shares, over six times the prior trading days' volume, and representing a loss of market capitalization of over \$240 million.

If you purchased Leap securities during the Class Period and either sold those securities at a loss or still hold them, you may request that the Court appoint you as a lead plaintiff. However, you must do so before sixty days from November 27, 2007.

Schoengold Sporn Laitman & Lometti was established in 1962 and has specialized in securities fraud litigation for over 35 years. The firm was cited by the Wall Street Journal in a study of the largest recoveries, as a percentage of overall damages, for its recoveries in the Anadigics and Versatility cases, which ranked first and third for recovering 44% and 30%, respectively, of plaintiffs' overall losses. In past three years, alone, the firm has recovered in excess of \$100 million for shareholders, representing approximately 35% of reasonably recoverable damages in those cases.

ABBIEY SPANIER RODD & ABRAMS, LLP

Firm Resumé

Abbey Spanier Rodd & Abrams, LLP (“Abbey Spanier”) specializes in large, complex litigation in the fields of securities, mergers and acquisitions, corporate governance, consumer protection, unfair employment practices and antitrust. The Firm has litigated thousands of cases in both state and federal courts throughout the United States. Since the early 1960s, Abbey Spanier has been committed to litigating with the highest level of excellence and integrity. We are committed to protecting shareholders and victims of corporate wrongdoing.

The Firm prides itself on the aggressive pursuit of our clients’ goals and on the excellence of our work. Abbey Spanier fights to achieve the very best possible result for our clients no matter how difficult the obstacles or well financed the opposition.

Over the last four decades, this Firm has been lead or co-lead counsel in cases resulting in billions of dollars in recoveries on behalf of investors and aggrieved parties. Abbey Spanier has served as a lead counsel in some of the largest securities fraud class action settlements. Among the more prominent of these cases are: In re BankAmerica Corp. Sec. Litig. (\$490 million recovery); In re Adelphia Communications Corp. Sec. and Derivative Litig. (\$455 million recovery) and In re Waste Management Inc., Sec. Litig. (\$220 million recovery).

THE FIRM’S RECENT ACHIEVEMENTS

In re Adelphia Communications Corp. Securities and Derivative Litigation, 03 MD 1529 (LMM) (S.D.N.Y.). This ongoing action arises out of one of the most egregious financial frauds ever uncovered at a public company. From 1998 through 2002, Adelphia Communications Corporation – the nation’s sixth largest cable company – systematically and fraudulently failed to report billions in loans. At present, plaintiffs have entered into partial settlements in the aggregate amount of \$455 million with the Company’s independent auditors, Deloitte & Touche, LLP., investment banking firms which underwrote offerings of Adelphia securities, and lending banks. Judge Lawrence M. McKenna observed: “If the Lead Plaintiff(s) had been represented by less tenacious and competent counsel, it is by no means clear that [they] would have achieved the success [they] did here on behalf of the Class.”

Braun and Hummel v. Wal-Mart Stores, Inc., Case Nos. 3127 and 3757 (Court of Common Pleas, Philadelphia County). Plaintiffs in this class action on behalf of 186,000 current and former hourly employees obtained a \$78 million jury verdict against Wal-Mart and an express finding that Wal-Mart acted in bad faith in failing to pay class members for missed rest breaks and off the clock work. The verdict was hailed as the largest jury verdict in the Commonwealth of Pennsylvania in 2006. On October 3, 2007, the Court of Common Pleas ordered Wal-Mart to pay an additional \$62.3 million in statutory damages to class members. The trial court stressed the importance of compensating workers for their time: “The law in its majesty applies equally to highly paid executives and minimum-wage clerks,” he wrote. “Just as highly paid executives’ promised equity interests . . . are protected fringe benefits and wage supplements . . . , so too [are] the monetary equivalents of ‘paid break’ time cashiers and other

employees were prohibited from taking.” On November 14, 2007, a judgment for in excess of \$187 million was entered by the trial judge in Braun/Hummel against Wal-Mart that included an award of fees and expenses to be paid by Wal-Mart in the amount of \$36 million.

In re Tele-Communications, Inc. Shareholders Litigation, C.A. No. 16370 (Del. Ch.). This litigation arose out of the 1998 merger of Tele-Communications, Inc. (“TCI”) and AT&T Corp. Plaintiffs alleged that defendants breached their fiduciary duty to the holders of TCI shares by insisting that a 10% premium be paid to the holders of super voting TCI shares, held primarily by TCI insiders. The premium was alleged to be the product of unfair dealings and agreed to without any meaningful protections for class members. After over coming defendants’ motion for summary judgment the case was settled days before trial was to begin in the Chancery Court. Chancellor Chandler, commenting on the \$52 million settlement in February 2007, stated: “Attorneys on both sides were excellent and performed at the highest levels of professionalism, representing their clients in this matter, and I compliment you all for that.”

In re Merrill Lynch & Co., Inc Research Reports Securities Litigation, 2 MDL 1484 (JFK) (S.D.N.Y.). This case, brought on behalf of Merrill Lynch mutual fund investors, was resolved while on appeal from its dismissal by the district court, and following the Second Circuit’s dismissal of a related case. Judge John Keenan, commenting on the \$39 million settlement in January 2007, stated: “[I]t is beyond dispute that plaintiffs’ counsel conducted this litigation with great skill and tenacity. The high quality of representation provided by lead counsel is evident from both the record of this case and the resumes that the lead counsel have submitted to the Court...Abbey Spanier [has] tremendous experience in the field of complex securities class litigation.”

In re Asia Pulp & Paper Securities Litigation, 01-CV-7351 (JES) (S.D.N.Y.). This securities class action raised several complex issues with respect to the efficiency of the market for foreign securities and the enforceability of a judgment against a foreign entity. Observing that lead counsel litigated the case “efficiently”, the District Court approved the \$46 million settlement of this action in July 2006.

Semerenco v. Cendant Corp., 98-4734 (WHW) (D.N.J.). Just prior to the announcement that it was restating its financial statements, Cendant was the victor in a 1998 takeover battle for American Bankers Insurance Co. (“ABI”). Abbey Spanier represented ABI shareholders in this securities class action who alleged that ABI’s stock price was artificially inflated by Cendant’s false financial statements. In a precedent setting decision, the Third Circuit Court of Appeals reversed the dismissal of the action and expanded the right to sue beyond direct purchasers from the issuer. The \$26 million settlement of this action was approved by the District Court in July 2006.

Tooley v. Donaldson, Lufkin & Jenrette, Inc., et al., C.A. No. 18414-NC (Del. Ch.). This class action, brought on behalf of DLJ shareholders alleging the board’s breach of fiduciary duty, was initially dismissed on standing grounds without any resolution as to the sufficiency of plaintiffs’ pleaded claims. On their second appeal to the Delaware Supreme Court, plaintiffs obtained a reversal of the dismissal of their pleading. The landmark decision by the Supreme Court represented a departure from earlier Delaware authority on the distinction between direct and derivative actions. The Tooley Court expressly disapproved both the concept of special injury and the concept that a claim is necessarily derivative if it affects all stockholders equally.

As a result of Tooley, the analysis now turns solely on who suffered the alleged harm and who would benefit from any recovery or other remedy (the corporation or the suing stockholders).

In re Vivendi Universal, S.A., Securities Litigation, Civil Action No. 02-cv-5571 (HB)(S.D.N.Y.). In this action, in which Abbey Spanier serves as Co-Lead Plaintiffs' Counsel, plaintiffs obtained a ground-breaking decision in March 2007 on class certification, in which United States District Judge Richard J. Holwell certified a class including not only U.S. investors, but also investors residing in France, England and the Netherlands who purchased Vivendi securities on foreign exchanges as well as on the New York Stock Exchange.
